QUISLING IS DENOUNCED AS MURDERER

State Accuses Former Puppet Ruler of Causing Slaying of Underground Leader

WRITES HITLER LETTER

By NED NORDNESS

Oslo, Norway, Aug. 22—(P)—The state today accused Vidkun Quisling of the murder of Viggo Hansteen, one of the leading Norwegian underground leaders, and the defendant with a sob in his voice denied the charge.

Hansteen, whose widow is now a member of the present Norwegian government, was killed by the Germans in 1941. Prosecutor Annaeus Schjoedt accused Quisling of responsibility, charging that the puppet premier during the occupation years asked the Germans to get rid of Hansteen because he led a strike.

"I never asked the Germans to kill Hansteen," Quisling cried. "Only to remove him. He was making things difficult for me."

Your accusations against Hansteen were not even true," the prosecutor charged, "you murdered him."

Quisling countered that "if my advice had been followed, he never would have been killed." The prosecution said Quisling told the Germans that Hansteen organized a trade union protest against the occupation and that Hansteen, a Communist, was a colonel in the Russian army.

Earlier in this third day of Quisling's trial for treason and seditious charges, Schjoedt read a letter which he said Quisling wrote to Hitler giving him "great Germanic" plan for placing Norway inside the German state system. Quisling disclaimed the letter, but said he had sought a means of uniting a bloc of nations with Germany.

"During the occupation I had to be practical in dealing with the Germans," Quisling testified. "German authorities in Norway tried time and again to establish a military dictatorship. They wanted to make a protectorate of Norway. I fought that all the time and I think I won out, more or less."

Schjoedt asked Quisling whether he had used concentration camps supervised by his subordinates.

"It may sound strange," Quisling replied, but in spite of thousands of appeals to me from people in jail, I never had a single report of torture. If I had, I would have done something."

PRIVATE EXECUTED FOR KILLING SOLDIER

Fort Leavenworth, Kas., Aug. 22—(P)—With a cry of innocence still on his lips, Pvt. Edward J. Reichl, 39, of Chicago, went to his death on an army gallows at 12:08 a. m. (Central War Time) today for the murder of a fellow soldier, Nov. 17, 1943, at Gualala, California.

"I am not guilty of the charge of pre-meditated murder. It was a drunken shooting," Private Reichl protested. Then, turning to five newspapermen present, the soldier added: "To the press I say, goodbye to Chicago. I love every treat and alley in it."

The army cook, who in civilian life was a bartender, was charged with "willfully, deliberately and feloniously" murdering Technician Fifth Grade Adam Buchholz of Dayton, Ohio. His case had twice been reviewed by President Harry S. Truman—the last time only 12 days ago.

180,000 Are Killed, Hurt Or Made Homeless By Bombs

By the Associated Press

The Tokyo radio said today the test checkup of damage done by atomic bombs dropped on Hiroshima and Nagasaki showed that 180,000 persons were killed, injured or made homeless in the two Japanese cities.

The broadcast, recorded in New York by the Associated Press, said a bomb which fell on Hiroshima Aug. 6 killed or injured 160,000 persons and left 200,000 casualties, the radio report said.

The broadcast said "furthermore many persons are dying daily from burns sustained during the course of the raids. Since the end on Hiroshima took place during working hours in the morning and the atomic bomb hit a central part of the city, casualties were tremendous, with more

New Sugar Stamp To Have Current Ration

Washington, Aug. 22—(P)—The new sugar stamp valid September 1 will maintain the current ration—five pounds for four months.

OPA, it was learned today, plans to announce this shortly. The household ration has to stay tight because sugar supplies are so short. The total is about 25 per cent less than was available before the war. The new stamp probably will be No. 38 in ration book four. OPA plans to skip over No. 37 because many housewives used it by mistake in applying for home canning rations last year.

Geneva May Be Site For Charter Home

By FLORA LEWIS

London, Aug. 22—(P)—Geneva, home of the League of Nations, appears to be winning favor among diplomats in London as a possible site for permanent headquarters of the United Nations Security Organization.

One Allied official, who declined to be quoted by name, said today that the site now depends primarily on Russia. If the Russians agree, the United Nations may move into the white marble palace constructed for the League at Geneva.

Before and during the San Francisco conference United States diplomats strongly objected to any suggestion that Geneva be chosen as headquarters of the new organization. They argued that psychological implications of the League's failure would hurt the new agency's prestige in the United States.

Since the overwhelming senate vote on ratification of the United Nations Charter, however, it is understood that Washington's opposition is waning.

Chinese diplomats in London said they favored San Francisco. They probably could win support (Turn to Page Seven)

Attlee Calls For Charter Approval

London, Aug. 22—(P)—Prime Minister Clement Attlee formally called for ratification of the World Security League Charter in the house of commons today, declaring that if persecution of minorities rises again the world the organization would "take note of it and take action."

Both houses of parliament began separate debates on the covenant designed to outlaw war by punitive steps against aggressors.

Attlee declared that the success of the new organization "will depend not so much on the exact provisions as on the spirit in which they are worked" and acknowledged that "if a great power is resolved not to carry out the principles of the charter, no paper provision will restrain it."

In the other branch of parliament, Lord Jowitt, new lord chancellor, told the peers "the charter contained the difference between life and death for civilization as we know it."

NO OFFERS FOR BIG REFINERY IN OIL CITY

Washington, Aug. 22—(P)—The government has had no offers for its \$3,800,000 high-octane gasoline plant at Oil City, Pa., a Reconstruction Finance Corporation official said today.

"We'll talk to anyone about leasing or selling the property," he told a reporter, "but so far no bona fide interest has been shown in its acquisition."

War contracts for gasoline produced by the Pennzoil-operated facility were cancelled earlier this month on 30-day notice basis, the RFC reported.

than 60,000 killed according to latest figures available.

"The number of dead is mounting, as many of those who received burns cannot survive their wounds because of the uncanny effects the atomic bomb produces on the human body. Even those who received minor burns looked quite healthy at first only to weaken after a few days from some unknown reason and frequently died."

Since the explosion of the atomic bomb affected an area of 30 kilometers in diameter and practically all houses in this area were either blown up, knocked down or reduced by fire, it is difficult to count all of the bodies, many of which are buried under collapsed buildings. The sight of women and children wounded by the explosion defies description."

GOOD NEWS ABOUT TIRES AND NYLONS

Government Officials Predict Production Will Jump 100 Per Cent In Three Months

PRICES WILL GO UP

Washington, Aug. 22—(P)—New tires, nylon stockings, new radios. The government dropped good news about all three into American laps today.

Government officials were careful not to speak of an end to rationing. But they said motorists might get a break on new tires within ninety days.

They predicted production might jump 100 per cent in the next three months. That would mean a lot more tires for civilians.

OPA officials said they thought they could hold most of the new peacetime goods—when it reaches the stores again—at or near 1942 prices.

But they have a fight on their hands. Manufacturers contend that 1945 production costs demand higher than 1942 prices.

Nylon stockings may be back in circulation by Thanksgiving, or at least by Christmas. The government has turned loose its controls on nylon and rayon.

WPA said 3½ million radios may be on the store shelves by Christmas.

Rent ceilings are expected to disappear soon in certain places. For example: In areas where army camps close or war plants shut down and people move away.

It won't happen in congested areas for some months, but only where the strain of swollen wartime populations eases off, leaving house-seekers free to bargain with landlords instead of being forced to take anything.

OPA indicated meat points would be reduced, beginning next month. Agriculture Secretary Anderson already has said meat rationing would end soon.

Also to be dropped will be the whole series of priority ratings—AA-1, AA-2, AA-3, and AA-4.

The government told businessmen to build all the new factories, plants and additions they could.

Controls on building were taken off but the government still kept controls on some materials, like lumber.

WPA Chairman J. A. Krug said the tight supply situation—in lumber and other building materials—should ease off soon as military demands slacken and more men are available for work.

Enough DDT—the new insecticide—to rid a house of mosquitoes and flies and other pests for a year: at \$1.50 to \$5.25 a year. The U. S. Public Health Service made the estimate of the cost.

It will soon be available for all homes.

Throngs Seek Jobs As New Strikes Loom

Philadelphia, Aug. 22—(P)—Crowds thronged into United States Employment Service (USES) offices seeking jobs yesterday and two new strikes developed in the Philadelphia area.

On Monday workers at the Spicer Manufacturing Co. plant in nearby Pottstown, walked out in protest of the rehiring of 14 World War veterans with low seniority rights.

Almost 1,600 had been laid off at the plant last week.

John Bohannon, manager of the plant, said the company was obeying Selective Service requests in rehiring veterans. The walkout was by members of Local 644, United Automobile Workers (CIO).

The Nicetown plant of the Midvale Steel Company was closed yesterday after 4,500 workers walked out in a dispute over pay for the two-day victory holiday of August 15 and 16.

Fatal Beating Is Laid On Two Men

Erie, Aug. 22—(P)—Responsibility for the fatal beating of Joseph B. Campbell, 72, retired mason, here late in July, was laid on Robert W. Pepperman, 28, and John D. West, 27, by a coroner's jury yesterday.

Pepperman and West, arrested in Williamsport, were held in Erie county jail, awaiting further action. Sheriff Fred W. Lamberton said formal charges will be filed in a day or two.

The men were taken in custody after a clue in Campbell's car, abandoned near Canton, Ohio, led officials to Williamsport.

Campbell was beaten, bound and gagged by assailants who left after robbing the house. When found several days later, the elderly man had died of a fractured skull.

Lucky Springfield Has No War Plants

Springfield, Mo., Aug. 22—

The city of Springfield has solved its reconversion problem and there will be "no displacement here at all," says Director Louis Reps of the Chamber of Commerce. The reason:

"It's because we didn't get any big war industries—though we tried hard enough," he explained.

Wainwright Is Expected Soon In Chungking

Chungking, Aug. 22—(P)—Japanese red tape delaying Lt. Gen. Jonathan M. Wainwright's departure from Manchuria, where he has been a prisoner of war, apparently was cut today by Soviet authorities.

A message from an American airborne humanitarian team at Mukden quoted Russian officers as saying last night that a B-24 Liberator was en route to Hsian, 100 miles to the northeast, to fetch Wainwright, who has been a prisoner there with seven Americans and 26 others of Allied Nations.

It was expected here that the hero of Corregidor would be flown to Chungking shortly after his arrival in Mukden. American authorities were known to be working to expedite his transfer to Chungking and no further difficulties were foreseen.

The Japanese, apparently fearful of taking any action that might cause difficulties with the Russians, previously were reported delaying Wainwright's departure pending Soviet approval.

The humanitarian team at the Mukden prison camp also disclosed that a Russian mission which arrived there last evening had immediately ousted the Japanese guards and placed Maj. Gen. George M. Parker, Jr., ranking American officer at the camp, in full charge.

Parker was captured during the battle of Bataan peninsula. Reports from the other humanitarian team at Peiping said all in (Turn to Page Seven)

New Work For Convicts Is Sought

Harrisburg, Aug. 22—(P)—Termination of war contracts found the State Welfare Department looking around today for new work for convicts in Pennsylvania's prisons.

"We hope government restrictions on metals, leather and yarn will be lifted so that we can get raw materials for our shops," said Herbert V. Dorfner, assistant director of the department's prison labor division.

He explained weaving shops at Graterford Prison in Philadelphia and Western Penitentiary in Pittsburgh could be put to work making cloth for sheets and pillow cases for state institutions.

The prison weaving shops have been practically closed for some time, he said, because of the very small quantities of yarn available.

Metal is needed, Dorfner explained, for the manufacture of automobile license plates and metal highway markers at the Western penitentiary.

"The work on single license plates for 1946 is going on," he added, "while we have been taking old highway signs, pressing them out and bringing them up to date. New signs are badly needed to mark new routes."

State Maps Plans To Make Erie Principal Port City

By TOM SHRIVER

Harrisburg, Aug. 22—(P)—The State Highway Department is co-operating in plans to make Erie one of the principal port cities of the Great Lakes.

Extensive improvements in harbor facilities, and work on Presque Isle have been listed by Governor Martin as part of the state's post-war program for bringing more business to Pennsylvania.

"Our part of the program," said Highways Secretary John U. Shroyer, "calls for work in the city of Erie itself and considerable improvements on Routes 8, 13 and 19."

"A grade crossing project and new construction on 12th street in Erie has reached the point where we are ready to go ahead with the work as soon as materials are available," said Shroyer.

The improvements in the northwest section of the state are part of a \$100,000,000 program designed to provide employment and needed improvements in the post-war period.

"A study is also being made calling for improvements on routes 20 and 5, extending from West Springfield, where the two routes intersect, all the way to the New York state line," Shroyer added.

"Work is also being planned along Route 98 which will serve as a connecting link between Routes 20 and 19 to take tourists in the executive mansion."

On the French leader's schedule also is a side trip to Hyde Park, N. Y., where he will visit the grave of Franklin D. Roosevelt. He also hopes to visit American industrial and war plants in New York and Chicago and to "see more of the United States," in his own words, than he did on his brief trip to see Mr. Roosevelt in July, 1943.

But there are more important things on De Gaulle's mind than formal dinners and inspection trips.

French officials say the thing De Gaulle would like to obtain more than anything else in his first meeting with Mr. Truman is the president's assurance that the United States henceforth will consistently accord France "big" power status.

France already has made much progress along that line. It is one of the "Big Five" on the United Nations Security Council; it will have representation on the council of foreign ministers soon to convene in London, and it will be represented at the Japanese surrender.

The Office of Defense Transportation was all set to revoke its ban on vacation trains. Doing it now would permit operation of more trains to take care of labor Day vacationers.

The government eased controls over lumber and will wipe them out entirely by Oct. 1.

This will mean a lot of lumber available within a few months for home building.

PEACE RIOTS IN SAN FRANCISCO PROBED

San Francisco, Aug. 22—(P)—Six women were raped and 1,059 people treated for injuries during the three-night San Francisco peace riots last week, District Attorney Edmund G. Brown told a grand jury last night.

The jury voted to continue with the fact-finding inquiry after Brown had reported on investigations of the wild celebration, in which mobs broke plate glass windows valued at more than \$25,000.

The district attorney did not mention fatal accidents in which 12 persons lost their lives.

MACARTHUR DISCLOSES THAT NIP EMISSARIES HAD BEEN FURNISHED WITH INSTRUMENT

Tokyo Radio, Doing Most of Talking, Says General Will Set Foot on Enemy Territory Some Time Next Tuesday

VERSION OF SERIES OF EVENTS FORTHCOMING

BULLETIN

Manila, Thursday, Aug. 23—(P)—General MacArthur announced today that a double-barrelled landing in Japan next Tuesday will send troops ashore near Tokyo backed by the full power of the American fleet in Tokyo Bay while he lands with airborne troops at the nearby Atsugi airdrome. The supreme commander of Allied occupation forces made this disclosure in announcing surrender instructions to Japan. Paratroops will descend at Atsugi, about 10 miles from Tokyo, while naval and marine forces simultaneously go ashore near Yokosuka, site of one of Japan's three largest naval bases. Yokosuka is on Sagami Bay, near the mouth of Tokyo Bay.

Manila, Thursday, Aug. 23—(P)—General MacArthur today disclosed the terms of Nippon's surrender to the Allies, and notified Japan that the document will be signed in the Tokyo area August 31.

MacArthur said he would land in Japan August 28, Tuesday. This corroborated Tokyo's radio's announcement yesterday that the Allied supreme commander of the occupation forces would arrive in Japan that day.

Allied airborne troops will land next Sunday at Atsugi airdrome, 20 miles southwest of Tokyo, and naval and marine forces will come ashore at Yokosuka naval base, on outer Tokyo Bay, next Tuesday.

The Japanese Imperial government and general headquarters were ordered to put MacArthur's directives into effect at 6 p. m. Friday.

All Nipponese military, naval and civil aircraft must remain out of the air until the Allies notify the Japanese of their disposition.

Manila, Aug. 22—(P)—General MacArthur disclosed today that the Japanese already have a copy of the surrender document they will be required to sign.

He said it informs them that representatives of Australia, Canada, France, The Netherlands and New Zealand will join the Big Four in signing.

The text of General MacArthur's message to the Japanese imperial general headquarters supplementing the document said:

"Representatives of Australia, Canada, France, The Netherlands and New Zealand will sign the surrender instrument. The surrender instrument, a copy whereof was furnished your representatives, will be amended accordingly."

The message was the first indication that Japanese emissaries to the Manila pre-occupation conferences had carried back to Japan the surrender document. Previous announcements had said the conference was limited to details pertaining to MacArthur's entry into Japan.

No indication as to whether the Japanese emissaries had been permitted to discuss any aspects of the surrender document with American officers was given.

Presumably the instrument was merely handed to them for transmission to the imperial authorities in Tokyo, since Lt. Gen. Torashiro Kikawabe, head of the mission, had the sole role of accepting instructions, without negotiating.

Tokyo radio, doing most of the talking, said today without Allied confirmation that General MacArthur will set foot on Japan next Tuesday, arriving by plane at Atsugi airdrome two days after airborne troops make their initial landing at that airdrome 20 miles southwest of Tokyo.

The broadcast, beamed in English for American consumption, used the word "surrender" as it reported the "true agreement" will be signed formally on Aug. 31 aboard a United States warship in Tokyo Bay. The source quoted was the Tokyo newspaper Yomiuri Hochi.

General MacArthur, after his aides met Japanese emissaries in Manila last weekend and obtained detailed information on plans for Japan's occupation, said Monday he would "soon proceed to Japan" and anticipated the surrender would be "signed within 10 days."

Since the return of the emissaries to Japan, Tokyo radio's growing series of unconfirmed reports have presented this version of events to come:

Japan is preparing to withdraw armed troops "as promptly as possible" from an area south of Tokyo on both sides of Tokyo bay prior to Allied landings.

Saturday, Aug. 25—Allied air operations will begin over Japan. Sunday, Aug. 26—Airborne troops will take over Atsugi airdrome; two Allied fleets will enter Sugami bay, outside Tokyo bay, with "conditions are favorable."

Tuesday, Aug. 28—MacArthur (Turn to Page Seven)

Orders Gounding All Jap Planes Relaxed By General

Manila, Thursday, Aug. 23—(P)—General MacArthur today relaxed his order grounding all Japanese planes in order to permit Nipponese use of a minimum number of unarmed aircraft for liaison purposes in applying the surrender terms.

Tokyo radio yesterday disclosed MacArthur had grounded all Japanese aircraft when imperial headquarters transmitted a request for the use of some planes in "the prosecution of surrender requirements."

MacArthur replied "Japanese armed forces are authorized to employ to the minimum extent possible unarmed airplanes marked by red pennants for urgent requirements in connection with execution of surrender terms."

Attacks by fanatical Nipponese pilots against American ships and photographic planes after the Japanese capitulation necessitated the original prohibition against rising Sun planes flying over Japan.

The ban extended to civilian as well as army and navy planes. Imperial general headquarters, acknowledging the ban today, requested the supreme Allied commander for permission to use a limited number of unarmed planes for surrender liaison operations.

Expect To Arrest the Killer
Of Aged Man on Highway

State police here today stated that as yet they have not received the lists that are asked the Ohio State Police headquarters to give them. Word has been received that the lists are on their way. When received it will take several days to check and recheck them in an effort to run down the car that crashed into aged Benjamin Newton Reymann near Newton last Friday afternoon. Confidence is held that the identity of the driver who sped away after striking the man will be established and arrests will be made.

The make of the death car has definitely been made known as a Dodge and the year of its make has also been made known. Part of the figures on the license plate has also been established and the

work of running down in the license lists of all Dodge cars of the make and model will be undertaken. Then remains only some hard work in running down the particular car desired and arresting the operator.

The Ohio authorities have been highly cooperative and have been advised that once identity is discovered arrests can be made by the Ohio authorities and that extradition will be asked by the Warren county authorities.

Killing of the aged man was one of the most wicked crimes that has been committed in this county in many years and full punishment will be meted out as there can be no extenuating circumstances. It is felt that the driver of the car was either a thief driving a stolen car or one that had been drinking.

Big Muskie
Is Landed By
Kane Angler

John Larson, who resides on the Smethport road just outside of Kane, is one of the most fortunate fishermen to cast a line into the Allegheny river this season. He is a veteran fisherman and while out last Saturday evening had a muskie strike on the plug with which he was fishing. The fish weighed 12 pounds and was 35 inches in length.

Larson, while out Saturday afternoon, missed one muskie strike and tied into the big fellow an hour or two later. He was aided by a townsman, Vern Anderson, in getting the fish landed. He did not have a net big enough to bring the fish into the boat so that it was dragged to shore and pulled out onto the beach. Both fellows got quite a wetting when the fish splashed around in the shallow water.

It is believed that the fish is the biggest one to have been taken out of the upper river this season, although several equally as large have been caught in the eddies near Tionesta and near the Willing cottages.

TOO MANY CALLS
FOR OPERATORS

It appears that the reading public drew the wrong inference from last night's announcement by the local war price and rationing board that "telephone operators" were assisting with the home canning sugar program. The result was a flood of more than 50 early morning calls to Bell Telephone operators asking for further information. The telephone operators referred to are those in the ration board's office and the public was asked particularly NOT to call because coupons are being issued as rapidly as possible and every call which must be answered delays the routine that much more.

Pop Concert
Planned For
August 29th

The Struthers Wells Band has announced that its annual "Pop" Concert will be presented at 7:00 p. m. on next Wednesday evening, August 29th, on the lawn in front of the municipal building at Third and Hickory street.

Chairs will be provided for about one hundred and fifty, so that those who arrive promptly can enjoy the entire concert, about one hour in length, without discomfort or inconvenience. Also, an effort is being made to open up the New Process Company's parking space across the street to provide additional room for those who prefer to sit in their cars and listen, without causing too much traffic congestion.

It is noteworthy that the Struthers Wells Band, which was organized in the month following Pearl Harbor, has lived through the war and into the peace, despite losses to the armed forces of as many men as appeared with the band in its initial performance. The loyal support given this organization by its present membership, despite the heavy wartime demands on the time of most of those members, really rates a vote of thanks.

This concert, like the one last year, will feature some of the classics among popular music, as contrasted to the recent V. F. W. Band concert, which featured some of the most popular of the classics. Both types are enjoyable to the average listener who just wants to sit back and listen to a good arrangement of a familiar and well liked melody.

The program is expected to go back to some of Prim's earlier numbers, which are still tuneful and catchy; to include a special arrangement of one of Victor Herbert's best loved waltzes, an unusual revival of "Alexander's Ragtime Band," as well as the proverbial Sousa march and several other attractive numbers, including a selection from the still popular production "Oklahoma."

Many favorable comments were heard after last year's "Pop" Concert, and this year's arrangements are being made to accommodate an even larger audience more comfortably.

As usual, there is no admission charge, no passing of the hat, no subscription, no chances to be taken—just another proof that after all, some of the good things in life are free.

The full program will be announced in the Times-Mirror next Wednesday, the day of the concert. Better make it a point to be there!

RAILROAD MEN PROTEST

Railroad crews are letting out a strong protest on their inability to secure meals in Warren on Sunday. Crews that become "outlawed" in this city are long and loud in their kicks relative to the matter. They have taken the matter up with the train dispatchers asking that Warren be taken off the map as a place to outlaw crews. They ask that they be hung up at Sheffield or Youngsville where some service can be obtained. Tourists frequently are directed to these two towns where they can secure good Sunday dinners.

London Bridge, though frequently rebuilt, has occupied about the original site of Roman days. It was London's only bridge over the Thames until 1750.

Sylvania SEA
Outing Will Be
Held Sunday

A crowd numbering at least 2000 is expected to attend the Sylvania SEA picnic to be held at Celoron Park next Sunday, August 26 from 2 until 12 o'clock. The picnic will be one in which baskets of goodies—fried chicken, etc.—will be brought by all employees and their families of the Warren and Jamestown plants. All persons employed by Sylvania as of August 14 are urged to attend for a regal time.

All of the park facilities will be available to Sylvaniaans and all rides will give the SEA family a reduction of half-price. All of the fun making features of the park will be spinning wide open for the occasion and it is now strictly up to Old Sol to keep Jupe Pluv from hazing in on the fun.

Coffee, peanuts, ice cream and pop will be furnished to supplement the basket lunches and all in all it will be a grandissimo time for every one.

The committee is arranging for a whole passel of stunts of a features and the program will have a softball game between the men's and women's softball teams as one of the main highlights. And in the evening in the Pier ball room dancing will be enjoyed from 8 to 12 with some excellent music.

For any further information please contact the Sylvania Personnel Office.

Obituary

Unless otherwise stated, visiting hours at Warren funeral homes are from 10 a. m. to 12:30 p. m. and 7 to 9 p. m.

BENJ. N. REYBURN

The funeral services in memory of B. N. Reyburn were conducted Monday afternoon at 3 o'clock at the Bracken-Keating Funeral Home at Corry. Rev. C. F. Hildebrand, pastor of the Lutheran church, officiated and the following relatives assisted as pallbearers: Henry Keppel, Charles Keppel, Walter Keppel, Edwin Keppel, H. L. Bowles and Albert Lynn. Interment followed in the family lot at the Pine Grove cemetery.

Those attending the services from out of town were: Mr. and Mrs. Clarence Rhinehart and daughter, Donna Lou, Miss Sandra Litzinger, Mrs. May Snyder, Snyder, Mrs. Ethel Garber, Mr. and Mrs. W. L. Ellis, Mrs. Marshall Holcomb, Mrs. Clayton Holcomb, Mrs. Leona Hardy, John Hardy and Charles Carlson, all of Torpedo.

HOMER GRAHAM

(Written for Times-Mirror)
Private funeral services for Homer Graham, of Garland, were held from the home of his parents, Mr. and Mrs. James Graham, Garland, on Tuesday afternoon, August 14. Rev. Strong officiated and the following acted as bearers for interment in the Garland Presbyterian cemetery: Norman Dunlop, Robert Pringle, John Haehn and Edwin Osborne, brothers-in-law, with Everett Wiler and Alvin Darling.

Besides members of the immediate family in attendance for the rites were relatives and friends from Grove City, Pittsfield, East Hickory, Grand Valley, Falconer and Olean, N. Y., and the immediate vicinity of his home.

Mr. Graham leaves his wife, Ardath; two sons, Steven and Dennis, two brothers, Burt and Tom; one sister, Mrs. Lester Hodge, Falconer, N. Y.; his parents, Mr. and Mrs. James Graham, and his grandparents, Mr. and Mrs. S. B. Graham, Wrightsville.

JOHN TRUMAN HENDERSON

(Written for Times-Mirror)
John Truman Henderson died at 1 a. m. Tuesday, Aug. 14, following an illness of five years duration. He had been seriously ill since last January.

The deceased, son of the late Mr. and Mrs. James S. Henderson and Nancy Prather Henderson, was born at East Hickory, Nov. 15, 1875. He left there, as a young man, and went South, where he was engaged in lumber business in Missouri, North Carolina and Louisiana. He was at one time general manager of the Missouri Timber and Lumber Company and later became general manager of the Widkin River Valley Railroad.

He returned from the south about twenty years ago and went into the contracting business for himself. He has resided at the R. F. D. 5 address for the past nine years.

The deceased is survived by his wife, Mrs. Grace Henderson; four children, Mrs. Stafford Johnson, Titusville; Ned A. Henderson, Titusville; J. Thomas Henderson, Richmond, Va.; and Mrs. Harold Slichter, at home; a sister, Mrs. N. E. Holmes at Meadville, eight grandchildren, and several nieces and nephews.

He was a past master of the Olive Masonic Lodge, of Tionesta, and a member of the Commandery and Consistory in North Carolina.

In 1889, he was married to Edith Jackson who preceded him in death in 1916. He married Grace Wright of Erie, in 1918.

Funeral services in charge of Rev. Kimber Bellig, were held in the Chester A. Schaal funeral home, and interment was made in the family burial lot in Riverview cemetery at East Hickory after services were held at the Methodist church at that place, with Rev. K. Bellig and Rev. H. Stevenson in charge.

The pall bearers were Thomas and Ned Henderson, Stanford Johnson, Harold Schlichter, Frank Haag, and Frank Schrimper. Relatives and friends from Oil City, Richmond, Va., Warren, Erie, Titusville, Meadville, and Tidouite, were present.

Chief White Feather Will Appear Here

Dr. Teyet Ramar (Chief White Feather) will appear at the Calvary Baptist church at 7:45 p. m. Thursday for a program of message and song, and Pastor C. L. Wesman invites the public to hear him.

Dr. Ramar's life reads almost like a fairy tale. He was born along a roadside in South Dakota; spent the first years of his life with his people, the Dakota Indians, on a reservation; traveled as a child with Ringling Bros. Circus; was singing on Broadway at

the age of 16 years; later sang with opera companies in Italy, and, finally, with the Metropolitan Opera Company in New York. He sang for royalty in several European and Asiatic countries and won national recognition as an organist.

His biography reveals that during this period "he tried three times to take his own life, and, finally, with most of his body in a cast, he surrendered his life to Christ." Since then he has spent his whole time in evangelistic work and gospel concerts.

Several local persons have heard Chief White Feather in Chicago and Philadelphia, and speak most enthusiastically about him.

A high tension wire fell on Eddy street last evening shortly after 6 o'clock and police guarded the wire until repair crews arrived. The officers also gathered in one old offender who was far in the land of nod in a prominent spot in the central part of town.

ARE YOU A BEAR THREE DAYS A MONTH?

Why let "monthly grumps" make you miserable—and everyone about you? Maybe they are not necessary. Thousands of girls and women have discovered that functional periodic pain usually are greatly relieved when they take Chi-Ches-Ters Pills at the time their period is expected. Taken according to directions, preferably two or three days before your time, they tend to relax the muscular contractions that have been found to cause pain, cramps, headaches and nervousness at such periods. An added iron ingredient in Chi-Ches-Ters Pills helps to promote resistance and energy. Be sure to ask your druggist for Chi-Ches-Ters Pills, and accept no substitute. Caution: Use only as directed.

Sylvania Is New Law On Eliminated By Registration Thomas Nine Received Here

The fast stepping Thomas Coupling softballers eliminated Sylvania last night from the City Softball championship race by piling up an impressive 17 to 3 victory on the West Side diamond. Sylvania threatened to make a game of it for five innings, but the batting prowess of the Coupling team was too much for Olson to shackle. A four run outburst in the fifth inning and clusters of three runs in 6th, 7th and 8th innings put the Sylvania outfit to rout.

Sidon, pitching for the winners, scattered eleven hits and blanked the losers from the second inning on.

Thomas Coupling, by winning last night, will meet the Grace M. E. in a single elimination game Thursday night on Beaty Field at 6:15 to determine who should play the St. Joes for the YMCA-Church League championship in a best two out of three series.

RIVER IS LOW

The Reed, unofficial river observer reported this morning that the Allegheny is at its lowest stage for the summer. The gauge on the old bridge pier shows the water to be about one and one-half feet below water mark. The edges of the stream reflect the filth in the stream with a scum dried on the stones. Gov. Martin's stream clean-up program could well be applied on the local stream as the need is now shown.

An act, known as Act No. 88, approved on the 15th day of May, 1945, changes the day for permanent registration from thirty days to fifty days prior to an election or primary. Also, change of party affiliation cannot be made between any primary and the following general or municipal election, nor more than once between any November election and the following primary election.

September 6 is the last day an elector may move from one election district to another in order to be permitted to vote at the November election.

September 17 will be the last day that new registrations, or removal notices can be accepted by the registration commission. Electors who have moved within their election district since the last election, may change their address at the polls on November 6, 1945.

ALL ROUNDED UP
Over the week end there was a "round-up" conducted by a lot of Warren folk who had taken on steers that they were pasturing preparatory to fall slaughter to fool the guy who asks for red points. The steers for some weeks had been pasturing in Pleasant township. As always the grass on the other side of the fence is greener so the steers broke the fence. Into gardens, fields and highway they strayed. The owners got busy and with trucks, stone-boats and other equipment they were finally rounded up.

New York City's Union Square was at one time used as a Potter's Field.

What Endocrine can do to bless you with younger looking face

Think of the added beauty a more youthful face and throat can give! Then harken to this: Scientific research has proved that ENDOCREME can, for most women, contribute to a desirable result in a way formerly thought impossible. Many thousands are now finding that ENDOCREME actually helps to improve the skin itself, not just its transient, superficial "look." This is because ENDOCREME, alone, possesses ACTIVOL. This ACTIVOL is a scientific replacement for woman's own natural skin-vitalizing substance. Absorbed by the skin, it helps to restore the normal growth of cells and tissues. It thus aids the skin to become fresher, smoother, more alluringly "alive." What bigger value in any woman young or old ask for her cosmetic dollars? The great majority get big improvement in only 30 days.

Grace C. Winslow Becomes Bride Of H. B. Grotzinger

Sheffield, Aug. 22—Mrs. Ella Winslow, Mill street, announces the marriage of her daughter, Grace Caroline, to Howard Burdette Grotzinger, son of Mr. and Mrs. Joseph Grotzinger, of Warren. Father M. J. Macken performed the rites in St. Clara's rectory at Clarendon at 10 a. m. Tuesday, August 21.

The bride wore a street length rabbit's wool dress of rose, navy blue accessories, a corsage of yellow roses, and the groom's gift, a double string of pearls. Her sister, Mrs. Carl Larson, was her only attendant, and wore a light blue suit with black accessories, and her corsage was of pink roses. Mrs. Winslow chose gray accessories with a gray dress, and Mrs. Grotzinger wore a navy blue ensemble. Each had a red rosebud corsage.

Carl Larson, of Sheffield, was Mr. Grotzinger's best man. The wedding breakfast followed at 511 Fourth avenue, Warren. Mr. Grotzinger, graduate of Buffalo University, is now the manager of the Harvey-Carey Drug Store.

Those who were here for the wedding were: Mr. and Mrs. Joseph Grotzinger and daughter, Isabel; Mr. and Mrs. Charles Schoen-thaler, Mrs. Edward Gulland, Jack Goldman, Luella McKean, Virginia Kirkpatrick and Everett Stokke, Warren; Mrs. Walter Palmeter, Williamsport; Mr. and Mrs. Wm. Weisenfuh and son, of Ridgway; George Winslow and Dan Burt, of Smethport; Mrs. Edna Quist, Mrs. Owen Crissman, Mrs. Ray Cole and Mrs. LeRoy Winslow, of Sheffield.

Local Missionary Fields Represented At Annual Meeting

The 10th annual young people's Bible conference for northwestern Pennsylvania, held under the auspices of the American Sunday School Union, was conducted last week at Seneca Hills in Venango county.

Seventy-two young people were registered for the conference, which included the delegation from Warren and Forest counties. The teaching staff was made up of missionaries and their wives, the local field being represented by Rev. B. F. Armstrong and Rev. Ernest A. Kachnick. Rev. John Dornhoefer was the special evening speaker. His heart to heart messages, together with the personal work of the counselors, resulted in a large number of definite decisions and commitments to Christ and the Christian life. At the stewardship meeting, 40 young people pledged themselves to be tithers. Among the special speakers were Rev. and Mrs. R. N. Peirce, missionaries on furlough from Africa; Rev. George C. Miller, of the Second Presbyterian church in Butler, and Rev. Ivan M. Warner, of Rocky Grove.

Join the Karavan

The PAK Karavan is due to arrive at Lacy school Thursday evening for a time of fun and merriment for all members, their friends and any others who want to join in the festivities. A program of games has been arranged for those who come early, to be followed at eight o'clock by a studio radio program, group singing and a sound motion picture. This latter attraction will star Loretta Young in "Eternally Yours."

The sound amplifier and record player available to PAK will be used, with two microphones for the radio play. Special arrangements have been made for use of the piano at the Lacy building; also the use of the auditorium in case of rain. Highlights of the radio program will include the following: Vocal, "Till the End of Time"; Joan McDonald; radio play, featuring Ginny Johnson, Nancy O'Dell, Andrew McComas; specialty dance to boogie woogie, Marilyn Dobbs, with Helen Walker at the piano; Prayer Time with the Karavan, featuring the quartet, Ginny Johnson, Rev. William Lane, Andrew McComas and Joan McDonald; vocal, "As Close as Pages in a Book"; Teresa Fino; Traveling Troubadour, Charles Sires; specialty, Shirley Johnson. Roger Brandt will be at the "mike" for announcements. Richard Kerr will be accompanist for the program and will do a "Spoonersism."

On Saturday, September 8, PAK will feature a "Back to School" party at the YWCA; present plans indicate all are looking forward to the anniversary party at the Woman's Club on September 29, a fine lead-off for the winter program. Details of these later activities are expected to be announced soon.

Mrs. Ann Scallise entertained at her home Sunday evening complimenting Mrs. Edith McLaughlin, a recent bride. The evening was spent in playing games, with prizes going to Marie Scallise for high and to Pauline Rosenquist for high and to Pauline Rosenquist for high. After a two course luncheon had been served, the guest of honor was showered with many lovely gifts.

ENGAGEMENT TOLD

Mr. and Mrs. E. L. Daugherty, of Russell, entertained 40 guests at their home Sunday afternoon, August 19, announcing the engagement of their daughter, Shirley DeForest Daugherty, to James Franklin Osborne, technical sergeant in the Army Air Forces, Orlando, Fla., who has just returned from overseas. No date for the wedding has been announced.

PHC ACTIVITIES

What's it
all about?

The complicated business of settling an estate is almost as mystifying to the uninitiated as the chess board is to a baby. There are many moves to be made, each important. A slip can cause much grief.

Experience, organization, "know-how" are required qualities we possess and which you can make available to your family and your estate by naming us as your Executor.

Sons Entertain With Dinner For Tidioute Couple

C. R. Lindquist, New York City, and Harold L. Lindquist, Smethport, were hosts at a family dinner at the Tidioute Restaurant in Tidioute Sunday afternoon at one o'clock honoring the 50th wedding anniversary of their parents, Mr. and Mrs. C. O. Lindquist.

Nineteen nieces and nephews of the couple were present. Attending the dinner were Mr. and Mrs. C. R. Lindquist and son, Dick, of New York City; Mr. and Mrs. Harold L. Lindquist and daughter, Jackie, of Smethport; Harry Courson and son, Bobby, and daughters, Shirley and Beverly, of Titusville; Mr. and Mrs. F. W. Lindquist of Erie; Mr. and Mrs. Curtis Gibson and daughter, Jerry, Mr. and Mrs. C. B. McMillan, and L. E. Lindquist, all of Warren.

From seven to ten in the evening nearly 75 neighbors and friends called at the home to extend congratulations and best wishes to the honored couple. A buffet lunch was served at a table beautifully decorated with gold candles and summer flowers and centered with a three-tiered wedding cake. Their two daughters-in-law poured.

The marriage of Mr. and Mrs. Lindquist took place August 21, 1895, at the home of the bride's parents, the late Mr. and Mrs. August Erickson, near Sugar Grove, the Rev. Mr. Lundquist officiating. Mr. Lindquist is the son of the late Mr. and Mrs. Gust Lindquist of Tidioute township. This marriage was the first in which three Erickson sisters married three Lindquist brothers, the others being: Lilly who married Fred, and Minnie, who married Lawrence.

Since their marriage Mr. and Mrs. Lindquist have resided in Tidioute, where they are well known. Mr. Lindquist has been in business there nearly 50 years.

Rhoades - Barnes Wedding Monday

The marriage of Joyce Barnes, daughter of Mrs. Ruth Barnes, of Clarendon, and Clayton Rhoades, coxswain, USN, son of Mr. and Mrs. Walter Rhoades, also of Clarendon, took place on Monday.

The Rev. Lloyd Mohrner performed the ceremony at the home of Mr. and Mrs. George G. Sweeting, Jackson avenue extension. Ruth Campbell played the traditional wedding music and accompaniments for Joann Yagge, who sang "I Love You Truly."

Leella Mae Knight was the bride's attendant and Frank Shaver acted as best man for the bridegroom.

The bride was attractively dressed in a lime green suit, with which she wore brown accessories and pure white corsage. The bridesmaid wore a gray suit, with black accessories and a corsage of red roses and baby's breath.

Twenty-six guests were present for the wedding and informal reception which followed. Mrs. Barnes and Mrs. Rhoades presided at the beautifully decorated bride's table.

Dinner was served at 5:30 o'clock for the immediate families, after which the couple left on an extended wedding trip, Coxswain Rhoades having a 30-day leave after serving 22 months overseas.

Puppet Emperor Is Held By Russians

By the Associated Press

The Soviet Komsomol radio, broadcasting in Japanese to Japan, said today the Russians were holding the puppet emperor of Manchukuo, Henry Pu Yi, as "an internee" in a safe place.

will land at Atsugi by plane; warships and naval transports will land occupation troops near Atsugi and Yokosuka. The latter at the mouth of Tokyo bay. (Tokyo's Yomiuri Hochi reported there would be landings in the Tokyo area Friday, Aug. 31, "slightly more than 20,000 strong.")

Friday, Aug. 31—The "formal signing" of the "true agreement" will take place aboard a United States warship in Tokyo bay in the presence of Allied representatives.

(At Washington yesterday, it was reported that Admiral Nimitz will sign in behalf of the United States, MacArthur in behalf of the Big Four.

(Chungking radio said the Japanese surrender in China would follow the formal signing at Tokyo.)

The official headquarters account of events to come has been broad in outline—but packed with meaningful power.

For the first time, the full combat power of the American navy will be massed in a single operation off the shores of a beaten nation whose one-time navy of 381 warships was reduced by Allied attacks to 48 operational vessels—26 destroyers, 22 submarines.

Virtually all of the hundreds of transport planes throughout the Pacific will transport landing groups, MacArthur and his key staff personnel.

Possibly even the giant Superfortresses will be in the awesome air umbrella to be spread protectively over Nippon during the landings.

Every branch of America's armed forces will be represented.

The peaceful landing probably will entail almost as much battle strength as once was planned for the combat invasion.

Throngs Seek Jobs As New Strikes Loom

(From Page One)

Spokesmen for Local 18,887, Federal Labor Union (AFL), said that although President Truman had requested all the employers to pay their workers straight time pay for the two day period, the company posted a notice that employees would be paid for one day only.

The company declined comment. Later last night about 2,500 workers at the Westinghouse Electric and Manufacturing Company plant in Lester, walked out in protest of what they termed a "furlough without pay."

More than 25,000 persons have been laid off in the Philadelphia area since the surrender of Japan was announced, the Area War Manpower Commission said. USES offices interview 4,141 yesterday and 1,272 were referred to jobs, the commission said. More than 2,000 filed unemployment compensation claims.

entering Pennsylvania from the west directly south to newly improved east-west highways," explained Shroyer.

When construction is completed on these highways around Erie, the highway executive said, the city will have an unrivaled choice of good roads for both commercial and pleasure cars.

The highway department plans call also for new connecting links between Routes 8 and 19 with the Pennsylvania turnpike at Irwin, present western terminus of the all-weather route across Pennsylvania's mountains.

Restrictions On Raising Pay Are Released

No. 8, restricting new or additional operations of rental automobile companies, was released.

No. 1, forbidding practically all chartered bus and sight-seeing service.

A provision of order No. 6 which forbade non-stop schedules by inter-city motor carriers, also was rescinded.

Indiana, Pa., Aug. 22.—(P)—Jimmy Stewart of the movies, now Col. James Stewart of the Army Aid Corps, will start home from England next Monday, his mother, Mrs. A. M. Stewart, said last night.

Lions Hear Discussion On Play Field

On Tuesday William Rice, member of the borough council, spoke to the Lions Club regarding the proposed recreational field for Warren. The purpose is to provide a place of recreation for children over 12 years of age, also for adults. It is felt that the children under this age are well provided for by the existing playground system. Our playgrounds are well equipped and kept up in a very fine manner.

One of the main ideas at present is to provide a place where everyone can go and indulge in some sort of sport—baseball, football, tennis, swimming, skating, etc., rather than merely a place to go and watch a small group play. Mr. Rice told that it would be desirable to establish such a center and have it serve as a fitting memorial to the veterans of the war. In the words of the speaker, "A living memorial would be much more appropriate than a marble shaft."

After thoroughly covering the subject of a recreational center, Mr. Rice told of various attempts which have been made in the past in this same direction. It was the sentiment of the club members that it is to be hoped that the present move will be successful in providing Warren with a center so that it can take its place along with neighboring towns and cities which are going forward with similar projects.

Ned Smiley was present at the meeting as a guest.

The American Red Cross Is 81 Years Old

The Warren Co. Chapter of the American Red Cross today celebrates the eighty-first anniversary of the signing of the Geneva Treaty which gave the Red Cross the support and protection of International Law, it was announced by J. W. A. Luce, chapter chairman.

"The fundamental concept of the Red Cross has never been altered since that memorable August 22, 1864," Mr. Luce said. "Just two years after Henri Dunant had written his 'Un Souvenir de Solferino' based on the horrors he had witnessed at the battle of Solferino in 1859, and outlined a plan for humanitarian organization throughout the world, he and his friends saw their idea incarnated in the Geneva Conference."

"Here was the beginning of a trend which has been known and felt by millions of people throughout the world," he said. "Particularly we, whose sons and sweethearts, sisters, brothers, and daughters are overseas, know from their letters and notes, what this 'bit of home abroad' means to the lonely, the sick, and the wounded."

Although the Geneva Treaty was revised in 1906 and in 1929, the essentials were contained in the original draft. They are:

First: All establishments and hospitals for the reception and treatment of wounded and sick soldiers, and the personnel attached to them, are immune from capture and from acts of destruction otherwise admissible under the rules of warfare.

Second: This special protection also covers such voluntary aid as may be performed by the civilian population in favor of the wounded.

Third: Sick and wounded soldiers are received and treated without regard to the side upon which they have fought.

Fourth: A heraldic emblem, the red cross in a white field, is created for the distinguishing sign of hospitals, ambulances, transports of wounded, and the personnel protected under the terms of the agreement.

In the year of its inauguration, the treaty was ratified by nine states of the 13 represented. By 1867, all the then great powers had followed suit with the exception of the United States which did not adhere until 15 years later. Since then all the world governments, with the exception of Japan, have become signatories.

Let a Physician Check Your Children Before School Begins

By Mullen Drug Co.

Just before the beginning of the school term lies an important period of time. The children must have suitable clothing, they must be outfitted whether school is just around the corner or on a distant campus.

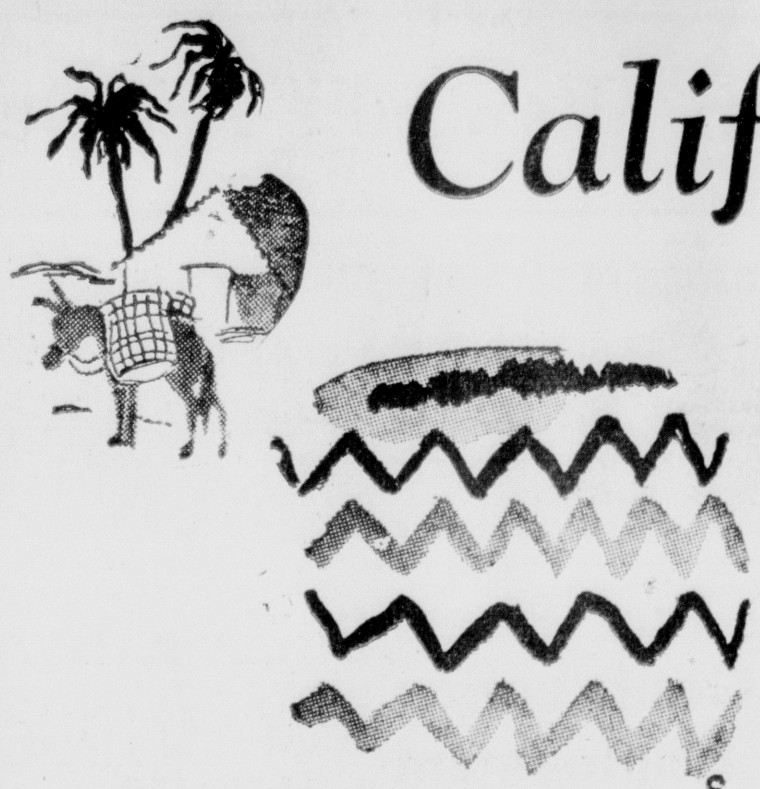

A physical checkup is even more important than shoes, sweaters, sturdy new outfits and books. Health is first on the list.

This takes far less time than a tour of the shopping district and will perhaps save time later, time that should be spent at studious tasks.

See the doctor before school-days open. Follow instructions exactly, especially orders for medication. Refer these to trusted druggists.

Personal Paragraphs

"Vin" Gray, Dragon court star, and a member of last year's football squad left this morning for service in the U. S. Army. Gray, a stocky built youngster, possessing lots of speed and drive would have been a valuable addition to the Dragon eleven this fall.

When feet burn, callouses sting and every step is torture, don't just groan and do nothing. Rub on a little Ice-Mint. Frosty white, cream-like, its cooling soothing comfort helps drive the fire and pain right out. Tired muscles relax in grateful relief. A world of difference in a few minutes. See how medicinal Ice-Mint helps soften up corns and calluses too. Get foot happy today, the Ice-Mint way. At all druggists.

Personal Paragraphs
